- Questions

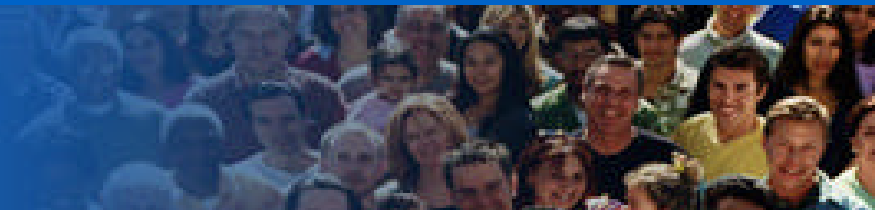

Our responsibility and solidarity towards migrants

- Ethnic related health care is necessary
- Special health programs are necessary for migrants
- Corporation with scientific researchers is needed for success
- The role of the hospitals, government, insurance company and the patient

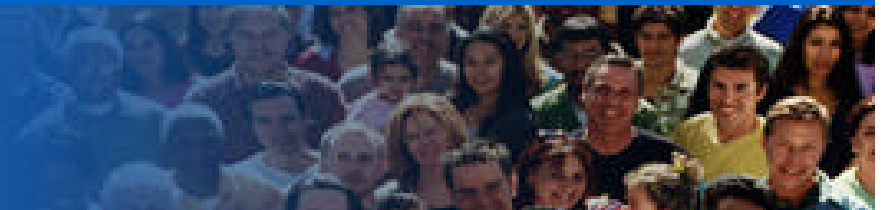

Agis in foreign countries

- Due to the demand of Turkish and Moroccan customers we started health care abroad
- Service centre in Turkey, Morocco and Surinam
- Experience with this groups learn us more about their emotional experience of disease or pain
- Our database give us axcess to their health consumption

Agis in Turkey (service centre)

- Exclusively for Agis members with an extra health insurance policy
 - Accessibility: 24 hours a day, 7 days a week
 - Gives support & counsel about how to act after an accident, being in the hospital, or in case of another emergency
 - Agreements with over 200 private hospitals in whole Turkey (Not state hospitals)
